MESSAGE

Panchayati Raj Institutions (PRIs) across the country have differential performance based on the devolution of Funds, Functions and Functionaries, their capacity building and the involvement of both the PRI leadership as well as by the community. My Ministry has been incentivizing the best performing Panchayats by awarding them so that they feel encouraged to enhance their performance in local self governance. Due recognition to Panchayats for exemplary performance can be an incentive for PRI representatives to perform better and it would encourage the State Governments to streamline their local governance.

It's give me pleasure that on the occasion of National Panchayat Raj Day, best performing Panchayats from all over the country are being awarded. **Deen Dayal Upadhyay Panchayat Sashaktikaran Puraskar** will be given to the Panchayat having done good work in the delivery of services and public goods. Thematic sectors of Sanitation, Revenue Generation, Civic Services etc. have been given focus while selecting the Panchayats for Deen Dayal Upadhyay Panchayat Sashaktikaran Puraskar.

Nanaji Deshmukh Rashtriya Gaurav Gram Sabha Puraskar was instituted in order to incentivize, appreciate and encourage the Gram Panchayats (GPs) of the country for outstanding performance. Further, the best performing States in adoption and usage of various e-applications for making the Panchayat processes transparent and efficient are being conferred with the **e-Panchayat Puraskar**.

-2-

I am pleased that a new award namely, **Gram Panchayat Development Plan Award** has been introduced this year, which will be conferred to the best performing GPs across the country. This has been done with a view to encourage the GPs which have developed their GPDPS according to the State/UT specific guidelines prepared in line with the model guidelines issued by MoPR.

I congratulate the winners of the **Panchayat Awards – 2018** and urge all the representatives of the Panchayats to usher qualitative and quantitative transformation in their respective panchayats and contribute in the efforts of the Ministry of Panchayati Raj to strengthen the PRIs. I hope we will be able to see many more Panchayats among the winners in the years to come. I also like to put on record my appreciation to officers and staff of Ministry of Panchayati Raj for completing the exercise of awarding Panchayats and States proficiently.

FOREWORD

The adoption of the 73rd Constitutional amendment conferred Constitutional status on the Panchayats as institutions of local self - government and introduced a three tier structure of governance that would ultimately lead to the reinforcement of a participative democracy. The amendment mandates that resources, responsibility and decision making power be devolved from Central Government to the local level through Panchayati Raj Institutions (PRIs), so that the latter become instruments of efficient delivery of services which would make a visible impact on the lives of our rural populace.

The Ministry of Panchayati Raj has been providing programmatic support for strengthening of PRIs and finding solutions for local governance to bridge the gaps in the way of reaching out to approximately 2.55 lakh Panchayats in the country. There has been a thrust on integrated and participatory planning at Panchayat level through preparation of Gram Panchayat Development Plan (GPDP), schematic support to States for capacity building initiatives, monitoring of Fourteenth Finance Commission (FFC) Grants to Rural Local Bodies (RLBs), promotion of e-Governance to improve efficiency and transparency in the local level governance and IEC activities for better outreach to the lowest tier of the government.

Incentivisation of Panchayats at the national level promotes a spirit of healthy competition among Panchayats and this initiative has the potential of acting as a catalyst of change for rural transformation. Ministry of Panchayati Raj has been incentivizing best performing Panchayats since 2011-12 which are selected through a laid down and transparent procedure.

Ministry of Panchayati Raj called for nominations under the scheme of Incentivisation of Panchayats through online portal i.e. <http://panchayataward.gov.in/>. Ministry received 25,470 applications for the nomination of award under Deen Dayal Upadhyay Panchayat Sashaktikaran Puraskar (DDUPSP) in General and nine Thematic categories of Sanitation, Civic services (drinking water, street light, infrastructure),

Natural Resource Management, Serving Marginalized sections, Social sector performance, Disaster management, CBOs/Individuals taking voluntary actions to support Gram Panchayats, Innovation in revenue generation, and e-Governance for all three levels of Panchayats which is to be given to best performing Panchayats (District, Intermediate and Gram Panchayat) across the States/UTs in recognition of the good work that is done by PRIs at each level for improving delivery of services and public goods.

Under the Nanaji Deshmukh Rashtriya Gaurav Gram Sabha Puraskar (NDRGGSP) which is given to Gram Panchayats for their outstanding contribution to the socio-economic development by involving Gram Sabhas, 14,131 nominations were received. Keeping in view the importance of convergent plan at Gram Panchayat (GP) level, this year onwards, a new award namely, Gram Panchayat Development Plan award has been instituted, which will be provided to three best Gram Panchayats across the country with a view to encourage the GPs to prepare GPDPs according to the State/UT specific guidelines.

Another award, namely e-Puraskar is also given for promoting e-enablement of Panchayati Raj Institutions (PRIs) for bringing in efficiency, transparency and accountability in their functioning. The main aim of this award is to encourage the Panchayats for the use of information and communication technology and to incentivize those States/UTs, which have made dedicated efforts in adopting and implementing the e-Panchayat Applications and enabling electronic delivery of services through Panchayats & equivalent rural bodies. The States/UTs are analyzed on the basis of the performance assessment parameters.

This year 191 PRIs are being awarded Deen Dayal Upadhyay Panchayat Sashaktikaran Puraskar, 21 PRIs have been selected for Nanaji Deshmukh Rashtriya Gaurav Gram Sabha Puraskar, 3 GPs have been selected for the award of Gram Panchayat Development Plan. Moreover, 6 States have also been conferred with e-Puraskar for promoting e-enablement of Panchayati Raj Institutions (PRIs) in their States.

PANCHAYAT AWARDS – 2018

There are about 2.56 lakh Panchayats: 2,48,683 Gram Panchayats (GPs), 6,307 Intermediate Panchayats (IPs) and 601 District Panchayats (DPs) across the country. These Panchayati Raj Institutions (PRIs) are at different levels of socio-economic, infrastructural development. Their performance is based on size, staff available, functions devolved, availability of resources, capacity building, and leadership. Keeping aside the constraints and limitations, some Panchayats have shown exemplary performance across the country. To build models and to nurture schools of practice, such Panchayats need to be identified and encouraged. This is achieved through awareness and incentivization. Similarly, elected district/village councils in North-East States also need to be incentivized, to give due recognition to grassroots democratization.

There is need for recognizing the performance of PRIs is recognized by incentivizing them on a national platform because it will have a very positive outcome on the entire system - (a) it be an incentive for PRI representatives to improve PRI performance, (b) it brings the issue of PRI performance into prominence and focuses the attention of policy makers and (c) encourages State Governments to develop their systems of assessment and encouragement.

Ministry of Panchayati Raj (MoPR) has been incentivizing best performing Panchayats and also documenting their best practices since 2011-12 under Panchayat Empowerment and Accountability Incentive Scheme (PEAIS). Since 2013-14, it has been a part of Rajiv Gandhi Panchayat Sashaktikaran Abhiyan (RGPSA). Presently under the “Incentivization of Panchayats” Scheme, the awards are given on the National Panchayati Raj Day celebrated on 24th of April every year. This incentivization encourages Panchayat representatives who make special efforts; creates models for the Panchayats and Gram Sabhas to follow and focuses public attention on good performers, which encourages all Panchayats to improve their performance. Finally, this creates an ecosystem for overall good governance at the local level.

Categories of Panchayat Awards:

A set of criteria & indicators and marking scheme to be adopted appropriately by the State Governments/UT Administrations in their context, for assessing GPs have been developed by MoPR. These criteria relates to (i) Participatory Planning approach (ii) Quality of Plans- Sustainable Development Goals, low cost, no cost activity (iii) Convergence (iv) Plan Execution & Appropriate monitoring system (v) Use of IT based tools for strengthen GPDP- Usage of Plan Plus, PRIA Soft , Local Government Directory (LGD) code, Geo tagging etc. (vi) Own Source Revenue (vii) Process Documentation.
